

Economic security and market regulation

6-7 June 2024

Conference on economic security and market regulation

The Frankfurt Competence Center for German and Global Regulation (FCCR) and the Europa-Institut of Saarland University are organizing a joint conference along the main topics of the Commission Communication on the "Economic Security Strategy" of 20 June 2023. The participants of four panels will discuss how the topic of economic security is changing risk analysis, what opportunities or hurdles exist in promoting competitiveness ("Promoting"), which dimensions should be considered to protect the EU economy or how these align with existing economic relations ("Protecting"), and what closer cooperation between the EU and Japan can or should look like in terms of strategic autonomy and economic security ("Partnering").
